

SWIMCLOCK/SHOT CLOCK

**Versatile & powerful electronic
pace, game & shot clocks**

Specifications

SWIMCLOCK/SWIMCOUNT

- ◆ Size: 12.5"h x 24"w x 4"d, 17 lbs (with battery, 32 lbs)
- ◆ 24VAC rechargeable battery optional.
- ◆ 4 digit display (+ colon) 6.5" red super-bright LED's.
- ◆ Black anodized aluminum case with non-glare Plexiglas lens.
- ◆ Splash-proof.

Programming Pendant (sold with SWIMCLOCK or add to SWIMCOUNT)

- ◆ Size: 7.5"h x 4"w x 1.2"d, .6 pounds.
- ◆ 16-key splash-proof membrane keypad with 4 x 16 backlit alphanumeric LCD screen.
- ◆ Black impact-resistant ABS plastic case.
- ◆ Program and save 30 sets with 5 intervals to repeat up to 99 times. Count up or down selectable.
- ◆ Program and save 15 Workouts with 30 sets each and up to 99 send-off tones at selectable interval.

SHOTCLOCK

- ◆ Size: 12.5"h x 12"w x 4"d, 13 lbs (with battery, 20 lbs)
- ◆ 12VAC rechargeable battery optional.
- ◆ Two digit display, 6.5" red super-bright LED's.
- ◆ Black anodized aluminum case with non-glare Plexiglas lens. Splash-proof.

SWIMCLOCK provides unparalleled flexibility and control over workouts. SWIMCLOCK uses dependable, super-bright LED's that are visible indoors or out. The four 6.5 inch digits are enclosed in a rugged aluminum case with Plexiglas lens. The hand-held Programming Pendant includes a 16-key keypad and backlit LCD display. Available with or without battery. Wall-mount bracket included.

Use the **Programming Pendant** to create 30 sets, with five different intervals. Select to count up or down, and number of reps to run. Sets begin with 3 warning tones, then a tone for each new rep. Program multiple send-off tones to sound at a selectable interval. Save all sets in memory by number.

Create up to 15 workouts with up to 30 sets each. Save in memory to reuse, edit, or delete and replace. While running a workout, the coach can start, stop and restart, or reset the whole workout at any time.

Use E-Z Workout to program 1 interval and the number of reps. Also includes GAME CLOCK and STOP-WATCH modes. Link multiple SWIMCLOCK's together to run synchronously from one Programming Pendant.

SWIMCOUNT is an affordable continuous counting 4 digit pace clock or water polo game clock without a Programming Pendant, but you can add it later. Combine a SWIMCOUNT with a SWIMCLOCK for synchronous operation. Available with or without battery. Wall-mount bracket included.

SHOTCLOCK is a very affordable continuous counting 2 digit pace clock or water polo shot clock. Same super-bright LED's, rugged aluminum case and Plexiglas lens. Available with or without battery. Wall-mount bracket included.

5 Year Warranty (2 Years on Batteries)
